## Religious Education Matters

### Sock it to Poverty'

Mission and love are inseparable. Jesus commanded us to love one another as he has loved us. This mission of love is all inclusive. It excludes no one. Kindergarten has been learning to be kind and loving like Jesus. They were required to think of ways they could care for people like Jesus did. During Week 2, Kindergarten participated in 'Sock it to Poverty'. Leading up to this event, Kindergarten generously donated coins to provide better opportunities for those less fortunate children in Jamaica.

### Numeracy Learning Walk!

Following the success of the Literacy Learning Walk, it is now time to showcase the great learning happening in the Numeracy blocks at Holy Family.

On Wednesday 5th November at 9:00am we would like to invite **ALL** parents to visit a snippet of the Year 4 Numeracy block. First parents will meet with the classroom teacher to listen to a brief introduction to what they will be observing during the Learning Walk. After watching a part of the maths lesson, parents will have an opportunity to reflect on what they observed.

A couple of months ago when the Literacy Learning Walk occurred in Year 1, it was great to see parents from different grades attend.

We hope that you will come along for the journey and be a part of the upcoming Numeracy Learning Walk.

### Swimming Program

**All Swimming Program payments are due next Friday 31st October. Parents that choose to pay off the Swimming Program are asked to make regular payments so that all accounts can be finalised. Thank you for your cooperation.**

### **Late/Early Leavers.**

If your child is late for school or needs to be collected early, you must attend the office and fill out the Late/Early Leaver Slip. This is to be completed by a **parent** as these slips are for the Class Rolls and a requirement from the Department of Education. Students are deemed late if they are not on morning assembly.
