Week 10

Religious Education Matters

This term Year 5 have been learning about 'Stories of the Early Church'.

We have explored the disciples reactions by analysing the scripture passage 'The coming of the Holy Spirit'.

At first I felt shocked because the Holy Spirit was flowing in the room. How did it get in when the window was closed? Cody

At first I thought the Holy Spirit was not real and then when I saw the flames I believed that the Holy Spirit was real.

When I saw the fire on the Apostles head I was thinking why is there fire on our heads. Is it going to harm or hurt us? But I thought deeply, the Holy Spirit blessed us. Britney

When the Holy Spirit came I felt blessed because I knew God was with me. Kreepa

Initially, I felt scared I looked around and flames were on our heads. However, I realized it was flames of the Holy Spirit brought down to us by God. Nathan B

The moment I left the house there were over a hundred people speaking different languages. I don't know how but I could understand them. It was very overwhelming my head felt like it was going to explode. Miky

When I heard the disciples talking in different languages I was puzzled. How could this happen? But after I thought about it, it must be the Holy Spirit who did this. Jeffrey

When I saw the other disciples with flames on their heads I was shocked and scared because I felt that it was impossible for that to happen. Rizul

We read Acts and followed the life adventures of Saint Paul .

St Paul's adventures

Antioch
-St paul started his adventures at Antioch [Turkey]
-Antioch is home to a large Jewish community, and several roman temples.

Corinth
-Corinth was a big place with lots of history and a great place to spread God's word.

Rome
St Paul travelled to Rome because it wasn't his idea to go to Rome, it was the Holy Spirit.

Paul and the disciples traveled to Troas.

Paul and the disciples stayed there for several days.

Lydia welcomed them to her house

We embodied challenges Christian people faced in the Early Christian community.

Principal's Message

School Holiday's

I would like to wish everyone a happy and safe holiday. The children return to school on Monday 18th July in full Winter Uniform.

School Disco

The fundraising Committee have organised our first School Disco for 2016.

Date: Friday 22nd July, 5pm-7pm. The theme is WINTER WONDERLAND. Tickets can be purchased through the office \$15 per family. We look forward to seeing our families on the night.

- Sausage Sizzle \$2.50 each
- Glow Products \$1.00 each
- Mobile Coffee service available
- If you have not yet purchased a ticket you can pay at the door.
- Just a reminder that this is a family disco and children are the responsibility of their parents on the nights. All parents must be present during the disco.

Maths Minds

During the school holidays create a tally to represent all the different cars that pass your house (10 minutes a day for 3 days). What would your data look like in a picture graph, column graph or pie graph? What do you notice about your data?

Reading Challenge

Welcome to the NSW Premier's Reading Challenge 2016

The Premier Reading Challenge closes on 19th August 2016. If you have not registered and wish to complete in the PRC, you can still apply.

Well done to the students who have complete the challenge.

Yours in reading

Science and Technology in Kindergarten

This term in Science and Technology, Kindergarten have been learning about the Farm. They explored the farm environment and discussed how this space suits the needs of living things. Kindergarten received a letter from Calmsley Hill City Farm, asking them to help create new habitats for their farm animals. Students worked in groups to design and make a habitat, which would improve the space at the farm for their chosen farm animal. They were required to transmit ideas, make decisions, and work effectively with their group to help solve the problem. Below are some photos of how the students worked creatively and collaboratively.
