

How can I use my gifts and talents to enhance the lives of others?

This Term, Year 6 has been learning about how our gifts and talents enhance the lives of others. We will also be learning to appreciate how the gifts of the Holy Spirit lead to human flourishing and how our gifts and talents should be used to make a positive difference.

At the beginning of the unit we had a great discussion which encouraged students to think more deeply about themselves and how *they are a precious gift. This led students to start thinking about all the gifts and talents that they possess.*

We have also looked at Scripture, YOUCAT for Kids, songs and poetry to see what it could teach us about gifts and talents. Some of the questions we were asking ourselves were:

'Are we born with our gifts and talents?'
'Who do we get our gifts and talents from?'

Below are some of the students' responses to these questions.

We were all born with different talents but from the same Holy Spirit. Because of this we should and must use these talents to serve the Lord. Even though our gifts and talents are all different we shall not be swayed by our fear and instead, we should share our talents and use it not only for our neighbour but for the Lord.

The message

The message from this Bible passage is that we are all born with eccentric abilities, talents and gifts, but these gifts, talents and abilities are all given by the same spirit and God for the same purpose,

Are we given gifts and talents from birth?

As children of God we are born with unique abilities, although at a young age these may not be clear to us. As we grow older and mature we discover the hidden truths and the little things that make us special. All these little things are given to us by the Lord our God. However some of these abilities may be genetic and others can be acquired.

Who gives us our Gifts and Talents?

We are given gifts from the Holy Spirit at birth, these gifts are not only given to aid us in life but to serve one another and serve the Lord. On our path of life we have the free will to use our gifts for better or for the worse of the world. As individuals we must unite as one to become stronger to help make a difference in the world.

SCHOOL NEWSLETTER ● Wednesday 4 November 2020 ● Term 4 Week 4

From the Principal...

Dear Parents and Friends,

Month of November

The month of November begins with two great commemorations in the Church calendar, All Saints Day (1st November) followed by All Souls Day (2nd November). November is the month that the Church invites all of us to reflect upon and pray for all the souls of the faithfully departed. I invite each family to join together and pray the prayer below for all your loved ones who rest in eternal life throughout this month.

Prayers for community members

Currently we have a number of families in our community in need of our prayers who are dealing with sickness and traumatic experiences. It is our responsibility as Christians and members of the Holy Family community to support each other through prayer.

Socktober

Congratulations to all our students who supported our 2020 Mission Week efforts last Thursday by wearing either a sporting jersey and/ or crazy socks. The school was able to donate \$371.55 to Catholic Mission. Thank you everyone.

Colour Run

Thank you to all the families who have already assisted their children set up an online profile and begin their fundraising effort. After only one week students and families have already raised over \$7 000.00. What a wonderful start. This Friday the class that has achieved the highest number of profiles will receive a whole class prize.

However we're still a long way from our goal, so we need everyone to pull together to help. The easiest way to help your child raise money is through online fundraising, where students can raise an average of \$120. Go to schoolfun-run.com.au, create a student profile page and share your online fundraising link via SMS, Email and Social Media with family and friends.

If you are currently fundraising, THANK YOU! We hope you will continue to share your link and fundraising for the school. Our aim is to use all raised funds to upgrade the playgrounds for the students to enjoy.

NAIDOC Week

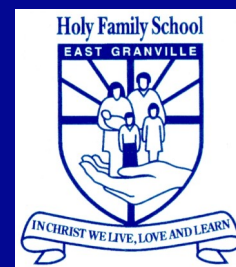

Beginning on Sunday our nation is celebrating NAIDOC Week. The 2020 National NAIDOC Week theme has been developed to shine a focus on the length of Aboriginal and Torres Strait Islander occupation of Australia. In our narratives Aboriginal people talk of continuous occupation of being here when time began, we are part of the Dreaming – past, present and future. Anthropologists and archaeologists have dated our sites to being hundreds of thousands years old, in fact recording some of these sites as being the oldest on this planet. Additionally, the NAIDOC theme seeks to get teachers, students and community to explore and learn about, and appreciate the wealth and breadth of Indigenous Nations, languages and knowledge of this continent. Exploring and learning about Indigenous understandings of the environment, plants, animals, greater astronomy and cosmology, waters, land use and protection, Indigenous sciences and maths. We need to question ourselves and understand: How does learning this knowledge expand current western teachings to have a greater understanding of the world around us as individuals, as a community of learners and activists in looking after our environments?

Holy Family teachers will look at these throughout the week in each grade. We had planned for a school performance - Didjeribone on the Friday, but unfortunately the performer is in Queensland and is unable to leave due to border closures.

Road Rules and Student Safety

In the past two weeks I have witnessed a large number of parents dropping off or picking up their children on The Trongate and instead of merging with the traffic and heading south, many are completing a U Turn across double lines in front of the school and church. This is not only a road rules offence incurring loss of points and a large fine, but extremely dangerous for our students, other families and your own family. Please do the right thing.

We are so lucky to have a pedestrian crossing officer now on site, both morning and afternoon, please ensure that you use the crossing and not walk across the road from your car. A couple of extra minutes walking to the crossing ensures everyone's safety as well as modeling safe practices to your children.

School Uniforms

While OZ Fashion is now our official uniform supplier, our previous supplier, Joseph's in Guildford still has remaining stock available for purchase to Holy Family parents. Styles available from Joseph's are the current style and HFS embroidery, while OZ fashion will have the new styling and school logo. Parents have a choice of where they may wish to purchase uniform items from at the moment.

I have also noticed that there are a number of children wearing the **wrong** uniform. Please ensure your child comes to school each day in their correct uniform, including correct jackets, hats and shoes.

11 Things Kids Want From Parents

1. **Showing is better than telling** - I learn by watching you.
2. **Love me** - Give me hugs and kisses. You can't spoil me with those.
3. **Kind and firm discipline** - My brain is still developing and so I'm slow in learning. But I do want to learn, if you patiently and kindly teach me.
4. **Be my safe haven** - Always be here for me no matter what.
5. **Talk with me** - Don't just talk to me.
6. **Hear me** - Sometimes I just want to be heard without judgement or lecture.
7. **Accept who I am** - Don't constantly compare me to other kids.
8. **Let me play outside a lot**
9. **Give me food that is nutritious and yummy**
10. **Trust me** - Let me make my own decisions on non-safety or health related things. I couldn't learn to walk without falling. I can't learn to make good decisions without making bad ones.
11. **Encourage me** - Your praise means so much to me.

THANKS FOR

Kind regards,

Let us remember that as many hands build a house, so many hearts make this school.

Last week in PBS4L...Empathy: Being Kind

In our lesson we learnt that to show **empathy** we need to be aware of others' **feelings** and to see situations from alternative points of view.

We created a whole class kindness quilt by recording a time where we experienced kindness from another person to remind ourselves how others feel in different situations.

This week in PBS4L... Building Relationships

Our friends are people who support us and who fill us with happiness. They do this by filling our lives with positive, caring words who want you to feel good about yourself.

How can you be a good friend?

Have You Filled
a Bucket Today?

How can you be a bucket filler?

YEAR 6 2020 | OUR PERSONAL PHILOSOPHIES

~ Zivelle ~ Personal Philosophy

I believe that every person is BORN equal regardless of our gender, race, religion or beliefs and therefore are entitled to equal but also fair opportunities and rights. From birth, we should not treat others as either superiors or inferiors, and only when one defies the rules or laws of society, or standards of ethics can one treat another more harshly than any other person.

I also believe that justice must be brought to everyone, regardless of who they are and what they stand for. Just like Justitia's example, we shall not be prejudiced, corrupt, or fraudulent when serving justice or when convicting or accusing someone of something.

As humans, we should be united, but just because we are united, it does not make us the same. Rather than regarding everyone as the same, we should appreciate and acknowledge our differences, and use them to unite us, because by regarding each other as the same, we are ignoring our history, differences and uniqueness and therefore denying our ability to unite, regardless of our differences.

Just as Saint Paul states in Galatians 3:28 'There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus.' We may be different, but in spite of our differences, we are all united with Jesus Christ.

Some other influential examples are Bryan Stevenson and Harriet Tubman, they both fought for the rights of many people. Harriet Tubman freed multiple slaves from slavery, while Bryan Stevenson fought for justice in the criminal justice system, and helped free many people on death row.

Mark Personal Philosophy

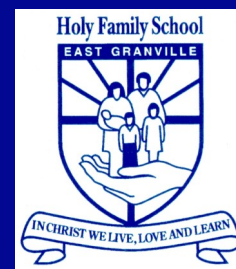

My philosophy is turning to God because we need to believe in him and turn to him otherwise God will be angry and punish us. For example, Genesis 6:9-9:17 (Noah and the Ark) where God flooded the earth, and then made a rainbow to say sorry. I will try to convince people to turn to God and believe in him because it is my job to do so as a Christian but I will do so in a respectful way.

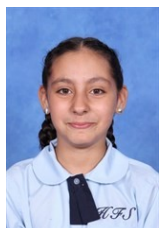

I live my life by the proverbs 27 1-2 "do not boast about tomorrow for you do not know what a day may bring and let someone else praise you, and not your own mouth; an outsider, and not your own lips". I live my life like this because I know I might be good at certain things and this is telling me that even though you might be good at something you shouldn't boast about it because you might put someone down. You shouldn't boast but let others recognise the achievements that you have made.

A person that I look up to and influences me is St Charbel because he is my ancestor, and just having St Charbel as an ancestor makes me want to be like him. St Charbel served God by being a monk and was living by himself for all his life. St Charbel also slept on a log to show his dedication and love for God.

~ Angelina El Boutty Personal Philosophy ~

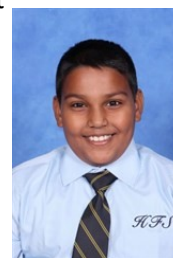

"Life isn't about finding yourself it's about discovering who God created you to be"

This quote builds up a huge bridge to my philosophy by helping me discover why I'm me and why God created me like this. I realised that God is my key in life and without him I won't be here. So, he made me be who I am for a reason and that reason will help me move forward in life. I also believe that the truth is since God has created a beautiful world for us to live in he can help me create my future because what he has given to me and you is something beautiful and unique.

Ashwin Kumar Personal Philosophy

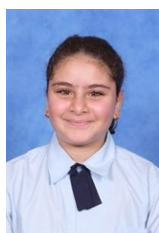

I believe that everyone should be treated with respect because many people around the world don't get the respect that they deserve. Peter 3:15 is a passage that is telling us to show respect to all people not just to friends and family but to all people because of the fact that we are all equal human beings and we are created in the image of God.

We should always show respect no matter if they are an enemy or friend. We should show respect just as the philosopher Revelation stated, "The revelation of Jesus Christ, which God gave him to show to his servants the things that must soon take place". He made it known by sending his Angel to his servant John. This is important because God made us to appreciate people for who they are.

Also receiving respect from others is really important because it helps us be safe and express our feelings with our friends and family. Respect means that you accept somebody for who they are, even when they're different from you or you don't agree with them. Respect in your relationships builds feelings of trust, safety and wellbeing.

~ Rania Personal Philosophy ~

My philosophy is that no matter how rich or poor you are, you need to be caring. I also believe that everyone needs good health in order to survive in this world.

I know that we also need to be respectful and caring because if we don't there will be punishments for us. I also believe we need to go to Church to cleanse our sins that we have made in our life and I know it is really important to go to Church because we need to build a relationship with our Lord.

I also believe that we need friends in our life because we can't be alone all our life otherwise we won't develop our social skills. Also we need a family because we need a few people to live and take care of us throughout our lives and we need parents to provide us with food, life etc.

Morgan Chen Personal Philosophy

I believe that people should be treated equally as we are all made in the image of God. One of the bible passages says... "treat one another how you want to be treated", and as we know we are all living breathing humans and we should treat one another the same no matter the colour of their skin or race.

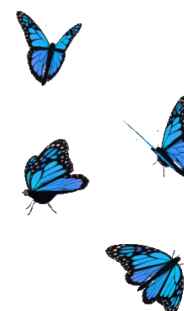

I also believe that no one should judge you just on appearance. People should like you for who and what you are. We should ignore the people that judge you and focus on the people that are nice to you.

~ Cadi Jones Personal Philosophy ~

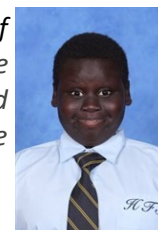

My philosophy is we should all treat each other with kindness and respect because we all need to show a bit of kindness with all that's going on this year.

Also, no matter what, we should always treat others with kindness and respect because we all need to be treated with respect when we are helping someone.

William Aguer

Galatians 6: 9 "Let's us not come weary in doing good, for at the proper time we will reap a harvest if we do not give up". In my opinion this Bible passage means to not give up and keep trying. I believe people should not sit around because they won't succeed in life. If you work hard you will succeed because you will earn money and make a living. Family is important to me because if I did not have parents I would not be who I am today.

Challenges are important because in life you will face many obstacles but you need to know how to deal with them. I am influenced by Shaun Johnson because he never gives up, he keeps trying. For example in one game his team was losing and he began to rethink if they could win. He however kept trying and pushing himself to the limit. He ended up winning the Golden Boot that year because he showed persistence.

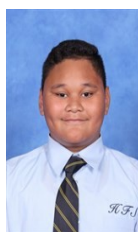

Rachelle Personal Philosophy

I am influenced by my family because they push me to my limits everyday in my life and they always teach me to do the right thing . My family is always by my side when I need them the most.

Ash Barty is an amazing influencer to me because she never gives up in life. She shows persistence and determination to achieve success. The Philosopher Saint Mary Mackillop once said... "Never see a need without doing something about it". This is important because when a homeless person is on the street with nothing to keep them warm or no food to eat or no money, we should always help them no matter who they are .

Nathanael Personal philosophy - -

My philosophy is obeying God's' commandments because it is a part of my journey to reach heaven. My philosophy connects to ethics and how you have to make the right decisions. It is important to teach others to obey God and do not lean on our own understanding.

A Bible passage that I live my life by is Proverbs 1:33, ' but whoever listens to me will live in safety and be at ease, without fear of harm.' This teaches me to obey God and that God is the way the truth and the life . This also tells me that God will keep his promise to me if I obey every command. I can also connect this with John 3:16, 'for God so love the world that He gave his only son and whoever believes in Him shall not perish but have eternal life'. A philosopher I connect with is Eckhart Tolle who once said, 'Focus on the power of now'. This is important because he wants people to not think about the past or the future however the present and that nothing else should matter.

The five values I strongly hold close to my heart are:

Family: I believe family plays a big part in my life because my family teaches me, feeds me and gives me shelter.

Ethics: I think ethics plays an important part in all our lives because it helps you decide to make right choices and know the difference between right and wrong.

Integrity: This applies to me because I want to do the right thing not for credit but because I know it is the right thing to do.

Accountability: I believe accountability is important because we should be accountable for all our responsibilities and consequences.

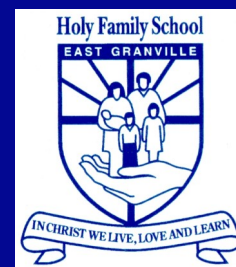

Change: Is important as it allows you to be open minded and adaptable to new things.

News from our Library

It's wonderful to see students enjoying reading books from our school library. Unfortunately we have a large number of books that have not been returned, particularly those that were borrowed before or during our remote learning time. Please search your cupboards at home and return any library books you find, as it costs the school a lot of money to replace these. Thank you for your help and we look forward to lots of library books coming back as soon as possible.

Absentee Note System

If a teacher marks a student as 'Not Present' an SMS will go out to parents around 12 pm. Please click on the link in the SMS and follow the instruction, there is then no need to send a written note. If you need help please see Miss Keane in the office. All notes must be returned within **7 days** of the absence or the student will be marked as 'Unexplained, unjustified absence'.

Any students leaving in 2020 must give 10 weeks written notice, a form is available from the office.

Students **away or sent home due to cold or flu like symptoms** must supply negative covid test result or a Doctor's certificate stating why they do not require a test and that they are fit to return to school. Please email these to holyfamilyegranville@parra.catholic.edu.au **before** sending them back to school or have them bring them to the office before going into the class room. Thank you for your help in keeping us all Covid safe.
